KOJONUP DISTRICT HIGH SCHOOL
BOOKLIST

2027 – PRE-PRIMARY

Please see below items that students require for 2027. Students are required to have items listed in their possession daily to maximise participation in the learning/activities. We encourage parents/carers to consider supporting a local supplier. **It may be necessary to replace some items, such as pencils, throughout the year.**

Not all items need to be individually labelled, as they are shared between all students within the class over the year.
