TERM 4 WEEK 9 9th DECEMBER 2025

## FROM THE PRINCIPAL'S DESK

Hello Everyone

As we approach the end of another school year, I want to take a moment to reflect on the incredible journey we've shared. This year has been filled with learning, growth, and achievements that make us proud of our students, staff, and families.

Our students have demonstrated resilience and enthusiasm, embracing challenges and celebrating successes both in and out of the classroom. From academic milestones to sporting events and creative pursuits, their efforts remind us why education is such a rewarding endeavour.

I would also like to acknowledge our dedicated staff, whose commitment and passion have been the foundation of our school's success. Their hard work ensures that every student feels supported and inspired to reach their potential.

We farewell Mr Sharma and Miss Siebert and wish each of them the very best in their new schools. Mrs Eyres is resigning to concentrate on family, Mrs Milne is taking a year off to pursue different interests, and Mr Holland is also leaving us to do the same. Mrs Julie Fleay and Mr Porter are retiring and we hope they enjoy this new phase of their lives. Thank you to all of you, your contribution to Kojonup District High School is both valued and appreciated.

To our families and community partners—thank you for your ongoing support. Your involvement strengthens our school and enriches the experiences of our students.

As we look forward to the new year, we remain committed to fostering a safe, inclusive, and vibrant learning environment. Together, we will continue to nurture curiosity, confidence, and a love of learning.

Wishing you all a joyful holiday season and a happy, healthy start to the new year.

**Sharon Poett**  
Principal

## DEPUTY PRINCIPAL NEWS—PRIMARY

As we approach the end of another fantastic year at Kojonup District High School, we want to take a moment to reflect on the many achievements and events that have made 2025 so special.

### Kindy Orientation

Our Kindy Orientation sessions were a wonderful success! It was fantastic to see our newest students settling in so well and showing great enthusiasm for learning. A big thank you to our staff and families for making these sessions welcoming and enjoyable.

### Workplace Learning Appreciation

We extend our heartfelt thanks to all the local businesses who supported our students through Workplace Learning this year. Your generosity and commitment to providing real-world experiences have been invaluable in helping our students grow and prepare for their future careers.

### Important Upcoming Events:

- **Kindy Graduation** – Thursday 11th December
- **Year 6 Graduation** – Friday 12th December
- **Playground Excursion (All Ages)** – Monday 15th December
- **Bunbury Shopping Excursion** – Tuesday 16th December
- **Presentation Night** – Wednesday 17th December at 6:30pm
- **Good Standing Swimming Reward** – Thursday 18th December. An icecream van will be on-site! Students will need to bring money to purchase ice creams. A price list will be sent home later this week.

### Special Reminder

Thursday 11th December will be a **Free Dress Day** to celebrate the end of the school year. We look forward to seeing everyone in their favourite outfits!

Thank you to all our students, families, and community members for your support throughout the year. We wish you a safe and happy holiday season and look forward to an exciting 2026!

**Lauren Suttie**

*Deputy Principal—Primary*

## DEPUTY PRINCIPAL NEWS—SECONDARY

Yep, it's official—I have fallen in love with the Kojonup District High School community and as my time at KDHS draws near, I want to take a moment to express how grateful I am for the incredibly warm welcome I have received from staff, students, and families. The hospitality, genuine care, and support shown to me throughout my time here has been truly humbling and made my experience unforgettable.

The dedication, passion, and professionalism of staff, alongside the kindness, friendliness and thoughtfulness of the students, is testament to the safe, nurturing environment KDHS provides—one where every individual is valued and supported.

I have thoroughly enjoyed being part of the KDHS community and taking part in many school events where students have engaged in their learning and competed at their absolute best. Their pride and resilience beautifully reflect the school values and behaviour expectations to always have a go and show perseverance.

I will miss you all terribly but will carry the fond memories, experiences and connections I have built at KDHS with me always, and I look forward to reconnecting with you in the future.

## DEPUTY PRINCIPAL NEWS—SECONDARY continued...

### Year 10 Rotary and APEX Bursaries

Our Year 10 students recently represented themselves and our school with pride during interviews for bursaries offered by the Kojonup Rotary Club and the Kojonup APEX Club. Their confidence, preparation and maturity were clear, and we are incredibly proud of the way they conducted themselves. We look forward to the announcement of the successful applicant at the Presentation evening on Wednesday 17<sup>th</sup> December.

We extend our sincere gratitude to the representatives from both community clubs, who generously volunteered their time to support this valuable opportunity for our students. Their ongoing commitment to encouraging young people is greatly appreciated.

### School Leadership nominations 2026

It has been an exciting few weeks at our school as we commenced the process of selecting our student leaders for next year. The nomination period saw many enthusiastic students put themselves forward, demonstrating courage, initiative and a genuine desire to contribute to our school community.

Following nominations, candidates prepared and presented their speeches to their peers and teachers. Each student spoke with confidence and passion, sharing their ideas, values and vision for how they could make a positive impact within our school. It was inspiring to see students express themselves so thoughtfully and take on the challenge of public speaking with maturity.

Students listened carefully to each candidate and considered their choices thoughtfully before casting their votes. This process not only helped select our future leaders but also supported students in understanding the importance of democratic decision-making and active participation in school life.

We are incredibly proud of all students who nominated and took part in this leadership process. Their willingness to step up, speak out and represent their peers reflects the strong sense of community and responsibility we value at our school. We look forward to announcing our 2026 student leadership team at the Presentation evening on Wednesday 17<sup>th</sup> December.

### Year 10 Graduation Dinner

We are delighted to announce that preparations are well underway for our Year 10 Graduation Dinner, a special celebration to acknowledge the growth and achievements of our graduating class. This milestone event is an opportunity for students, families and staff to come together and recognise the journey our Year 10s have taken throughout their time at our school.

The Graduation Dinner promises to be an evening filled with pride, reflection and plenty of celebration. Students are looking forward to sharing a meal, enjoying speeches, and marking the end of their middle school years in a memorable and meaningful way.

Once again, I would like to express my heartfelt thanks for generously sharing your lives and community with me. My sincere thanks go to Lauren Suttie and Sharon Poett for their professional guidance and mentorship - their support and encouragement have been invaluable and very much appreciated. And finally, I would like to wish everyone a safe and Merry Christmas and wonderful 2026.

**Belinda Powell**

*Deputy Principal—Secondary*

**Last day of Term 4—Thursday 18th December**  
**First Day of Term 1—Monday 2nd February (PP-10)**  
**Tuesday 3rd February (Kindy)**

## FAREWELL MR PORTER & MRS FLEAY

KDHS farewells and celebrates the incredible commitment and extraordinary services of Mrs Julie Fleay and Mr Warren Porter.

Warren and Julie have decided to pull up stumps and begin to enjoy the fruits of their hard work and dedication spanning approximately 75 years' service to Kojonup DHS.

Warren has dedicated 40 years' service to KDHS commencing in October 1985. His official role was Head Gardener and Maintenance Officer and he undertook all of his duties with pride and enthusiasm. The gardens and lawns were always neat and the rose garden in the front was a mass of blooms. Earning prizes at the Show was not uncommon in the earlier years. There are many behind the scene moments that Warren could be relied on to carry out. The BBQs were always cleaned and ready for the next fundraiser/Father's Day Breakfast etc. The marking of the ovals and preparation of jump pits for Sports Carnivals was done by Warren.

Warren took on the role of OHS officer and more recently was the Manual Arts Teacher for two years as a Limited Registration Teacher, a role that he relished in and spent much time preparing for his students' lessons. He maintained the playing ovals for the students and was a great fix it man if anything needed attention. Nothing was too much trouble for Warren. His commitment and dedication to the school community was absolute, even getting up at any odd hour if the School

Security Alarm system was triggered.

Julie commenced her journey at the Community Kindergarten on the 23<sup>rd</sup> July 1991(now Kojonup Child Care Centre). She was also a Handywoman/Maintenance guru. Access if any to Google back in the early 1990s was limited ,if any, so all tasks where undertaken with gusto and the odd bit of blue tack!

As time evolved Julie went onto study at TAFE and qualify as an Educational Assistant, with Special Needs as her forte. Julie worked with warmth, patience, understanding and professionalism earning the respect of both the students, parents and her peers.

In her later years at KDHS, Julie has supported children, or sometimes grandchildren, of those she has helped in her earlier years—a legacy few can claim and speaks volumes of the impact she has had on the school community. The classrooms and corridors will miss her kindness, laughter and the calm reassurance she bought to every situation. Oh and the odd teacup left somewhere!

No more thinking what was your password and computers not playing along!!Time for family, new adventures as a nomad in the caravan, and ticking off the list of jobs!

As the hard work is behind them, both the KDHS staff and school community wish Julie and Warren and their respectful partners and families' good health, enjoyment and wonderful new adventures to treasure as they have both earned this time in their lives. Your contribution to our school, knowledge and dedication will be greatly missed.

### THANK YOU!

Past and present staff reminiscing Julie's time at KDHS.

## YEAR 7 2026 ORIENTATION

Our recent Year 7 2026 Orientation Day was a wonderful success, and I would like to extend my sincere thanks to our library staff, office staff, and secondary staff for their commitment in planning and organising the day. Their hard work ensured a smooth, engaging and memorable experience for our future Year 7 students.

In true KDHS style, our current Year 6 students went out of their way to welcome new students to the school, demonstrating our school value of *We show respect through consideration and care of others*. Their warmth and kindness set the tone for an exciting day ahead.

The morning began with buzzing excitement—and a few nervous smiles—as students settled into the library to learn about what Year 7 life will look like. Mr Sinclair then brought the energy outdoors with sporting competitions and team-building activities, followed by an engaging Physics lesson with Mr Sharma. Students explored the mechanical engineering of paper planes, tested their designs and collected data, sparking curiosity and teamwork.

A highlight for many was the cricket session with Bon and several secondary students, who modelled positive relationships and reinforced our value of *we show respect*. After recess, Ms Shepherd and Mrs Eatts guided students through a cooking session that resulted in a delicious afternoon tea for families attending the information session later in the day.

Lunch was enjoyed on the grass, followed by yet another lively cricket game—one that revealed a few aspiring cricketers who could easily replace Usman. The afternoon continued with a visit to the School Farm, where Ms Shepherd introduced students to caring for the land and livestock, offering a hands-on glimpse into agricultural learning at KDHS.

Back at school, Ms Chisnall wrapped up the day with a range of super-engaging English activities that had students beaming with excitement for the year ahead. Finally, we gathered once more in the library for the family information session, enjoying the wonderful food prepared by our Year 6 students.

It was fantastic to see our future Year 7 cohort so engaged, enthusiastic and optimistic about their transition to high school. We are confident they will continue to grow, thrive and strive toward their full learning potential next year.

**Belinda Powell**

*Deputy Principal—Secondary*

## UPCOMING EVENTS

### Kindy Graduation Ceremony

Thursday 11th December  
2—3pm, School Library

### Year 6 Graduation

Friday 12th December

### Year 10 Graduation

## SCHOOL BOARD VACANCIES

Kojonup District High School Board consists of elected members who work with the school and community to achieve best outcomes for students. The establishment of the School Board has given the school an opportunity to attract a broad cross-section of people with a range of experience and expertise. Strong community representation ensures the board can make a significant contribution to the development of Kojonup District High School and provide strategic guidance and monitoring.

We have vacancies on our School Board for:

### PARENT REPRESENTATIVES

### COMMUNITY REPRESENTATIVES

The School Board meets once per term.

Nomination packs are available from the front office.

## TERM DATES & SCHOOL

## DEVELOPMENT DAYS 2026

*School Development Day—Monday 20th April*

**Term 2—Tuesday 21st April—Friday 3rd July**

**Term 3—Monday 20th July—Friday 25th September**

*School Development Day—Monday 24th August*

**Term 4—Monday 12th October—Thursday 17th December**

*School Development Day—Friday 6th November*

STUDENT REPORTS

**PLEASE NOTE: Printed reports will no longer be offered as of this semester. All reports will be sent via email. Please ensure you save the file as the link is only valid for 4 weeks and that we have your current email address.**

## YEAR 6 CAMP

**Day 1:** Had to be on the bus and leaving at 7:30am. First, we drive up to Perth. While we were driving up to perth, we put on our camp playlist, mostly 'California Girls'. When we got to Perth, we went to Cicerello's and we saw the yellow man's doodle. Then we went to the Roundhouse for the firing of the cannon. After the cannon, we walked down past the train tracks and went to the Shipwreck Museum, then we walked to Yochi from the Fremantle Oval, where we parked the bus. We walked back to the Fremantle Oval and played around there for a while before going to the Fremantle Prison. After, we walked down to Holey Moley where I did both mini golf and bowling. Finally, we hopped on the bus and went to Point Walter Camp School.

**Day 2:** On Day2, we went to Scitech and watched a realistic documentary in the dome about how earth was formed. Next, we went to Wellington Square and we had to walk forever to get there. After Wellington Square, we went to Perth Mint and saw a gold pour, we got a couple queen age which mostly everyone lost. We got back to Point Walter and we all had a swim in the pool for about half an hour and then everyone got changed. We jumped into the bus and watched the sunset while having a barbecue at the bank. The boys thought it was a smart idea to catch fish with their Crocs and hats. Boys are so silly and weird. At night, me and the girls caught Mrs Clifton and Mrs Eatt standing on chairs with their phones, putting fart noises through everyone's window. Funny!

**Day 3:** On the last day, we woke up and got changed and then packed our bags. We got on the bus and headed to the fuel station and, after our stop, we went to Adventure World. We went on heaps of water slides, like the Kraken and the Tunnel of Terror, and rides, like the Inferno and the Black Widow. Zoe was so scared on the Black Widow. I looked away panicking, but tried to calm down. We had lunch at Adventure World. We got back on the bus and stopped at Williams. Everyone thought they were the shortest school days.

**Kaitlyn Jones**

**Day 1:** 7:30am in the morning, ready to go on Year 6 Camp. I was sitting next to Zoe and Kaitlyn at the very back of the bus, in the single row. We ate and shared our lollies before Williams. At Williams, we stopped for a toilet break, but instead we all played on the flying fox or on the playground. When we got back on the road, everyone started playing Blockblast. When we finally got to Perth, we went to Cicerello's and learned about Marine Biology. After that, we had lunch and fed the fish. We went to the Roundhouse to see the cannon fire at 1:00pm and then walked all the way down to the shipwreck place. The shipwreck place had lots of information. Yochi was my favourite place on Day 1 because you could load it up with many different toppings. We went to Fremantle Prison. It was nice and cold because of the limestone rooms. Holey Moley had made us dinner when we were bowling. Mini Golf was next and we got to do this really cool poop one. The arcade was my favourite bit about Holey Moley. After, we got to Point Walter Camp School. I was really tired, but we still stayed up late.

**Day 2:** On Day 2, we got up and went off to Scitech. We caught the train to Scitech, and it was so cool to see a movie and show before we got to go and explore and do experiments. After, we went to Wellington Square and there was a little water section to cool us down. We walked to the Perth Mint to see the gold get poured and see it made into a bar of gold. After that, we got back to camp and had a swim in the pool because it was really hot. Then we went to the river for dinner and we saw the sunset (which was very pretty). When we got back, we played 44home and Spotlight. We did not go sleep until 11:45pm.

**Day 3:** On Day 3, we woke up a little bit late at 7:00am, but we zoomed through our morning routines ready for Adventure World. The Kraken was my favourite ride because when you come up the cone it goes really high. The Abyss was my second favourite ride because it was really scary. The Inferno was nice, but it felt like my guy came out of my mouth when we went straight up and down really fast.

**Polly Eatt**

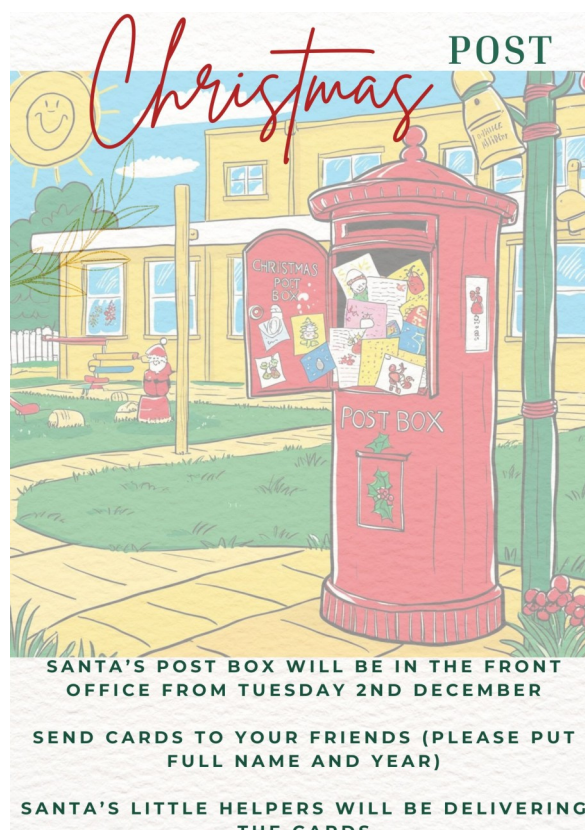

## YEAR 6 CAMP

**Day 1:** Day One on camp was really fun because we had lots of energy for the bus, plus we had lots of lollies. We got to Koji at 7:15am and left at 7:30am. We had a crazy bus trip and arrived at 11:00am, then walked to Cicerello's and saw lots of fish. It was really hot. Then we went to the Roundhouse. It was an astonishing view and we saw the firing of the cannons at 1:00pm on the dot (it was like shotgun loudness x2). Then we walked to the Shipwreck Museum and saw lots of cool ship models, the engine room of a ship, and a real shipwreck. Then we hopped on the bus and went to Yochi before going to Fremantle Oval and we played cricket. Then we went to Fremantle Prison and saw Moondyne Joe's prison cell. After that, we went to Holey Moley and played golf, bowling and arcade games, ate dinner, then we played Spotlight back at camp.

**Day 2:** The next day, we found that our dorm was infested with ants, then we took the train close to Scitech, went in the Planetarium and played science games. Then we went to Wellington Square before going to the Perth Mint. At the Perth Mint, we got to see a real gold pour. We came back to the camp and had a swim. Then we had a BBQ at the river and caught 16 blowfish using our hats and our hands.

**Day 3:** We woke up between 3:00 and 6:00am. Then we packed our bags and went to Adventure World. I went on pretty much all the rides. The Kraken is my third favourite, the Inferno was my second, and the Abyss was my favourite. Mrs Clifton and I went on it and it was really fun. The way home was both loud and sleepy, but I bought a 1kg pack of lollies and was throwing them around the bus on the way home. On the way from KDHS to my house, I told Mum all about how fun it was.

**Todd McMahon**

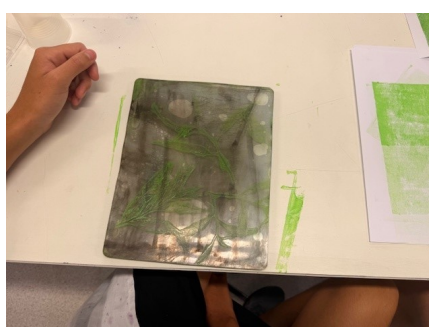

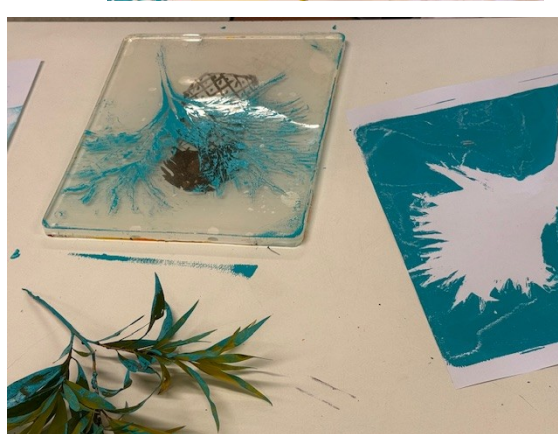

## YEAR 9/10 VISUAL ARTS CAREER TASTER INCURSION

Mr Lucev's Year 9/10 class had the pleasure of welcoming representatives from South Regional TAFE, who delivered an engaging and hands-on introduction to the opportunities available in the Visual Arts field. Students engaged in skills to develop creative ideas in a range of applications including textile painting. In addition, students had the opportunity to ask questions about future pathways and the types of careers that can grow from a foundation in the visual arts. The presenters highlighted the importance of creativity in many industries and encouraged students to think broadly about how artistic skills can shape their futures. We extend our sincere thanks to the South Regional TAFE visitors for providing an informative session.

**Belinda Powell**

*Deputy Principal—Secondary*

## JUNIOR PHOTOGRAPHY WINNERS

Congratulations to Carissa Daw, Mitchell Schnzig, Jacob McMahon, Thomas Bilney and Daisy Bilney (and former student Jenna Bilney) who won awards from the recent Junior Photography exhibition at Kodja Place. Thank you to Jill Watkin from Kodja Place for presenting the awards at a recent mini assembly.

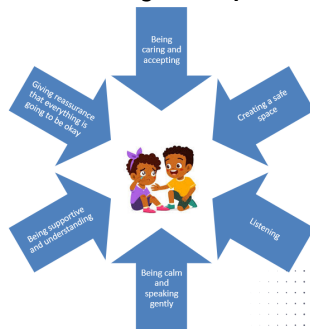

PBS FOCUS FOR THIS FORTNIGHT IS:

**Self-regulation****PBS VALUE: RESILIENT****Self Regulation**

Managing our thoughts and feelings  
So, we behave in ways that help us reach  
our goals.

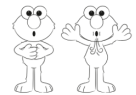

**Self Regulation helps you...**

- Communicate calmly and respectfully
- Re-focus your attention
- Calm down
- Problem solve
- Identify your feelings

**You can help others to Self regulate by...****Fun ways to help you Self-regulate****Volcano Breath**

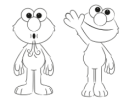

Sometimes big feelings feel like a volcano inside us... help the lava flow to the ground!

Start with your hands together in front of your chest. Breathe slowly in through your nose and raise your arms straight up. Hot lava is rising up and out! Breathe slowly out through your mouth as you move your arms down.

**Reach for the Stars**

Stretching can give our bodies energy and help us notice our feelings.

Stand straight and tall, arms by your sides. Take a slow deep breath in through your nose and slowly out through your mouth. Stand on your tiptoes and reach high with one hand, then the other hand.

**Dysregulation can cause...**

- Tantrums
- Frustration
- Outbursts
- Aggression
- Dis-engagement
- Crying
- Refusal to participate

**What are the zones of regulation?:**

Blue Zone	Green Zone	Yellow Zone	Red Zone
<ul style="list-style-type: none"> <li>• Sick</li> <li>• Tired</li> <li>• Sad</li> <li>• Moving slowly</li> </ul>	<ul style="list-style-type: none"> <li>• Happy</li> <li>• Calm</li> <li>• Focused</li> <li>• OK</li> <li>• Ready to learn</li> </ul>	<ul style="list-style-type: none"> <li>• Worried</li> <li>• Annoyed</li> <li>• Silly</li> <li>• Wiggly</li> <li>• Frustrated</li> </ul>	<ul style="list-style-type: none"> <li>• Angry</li> <li>• Out of control</li> <li>• Yelling</li> <li>• Terrified</li> <li>• Un-expected</li> </ul>
<b>*I NEED A STRATEGY</b>		<b>*I NEED A STRATEGY</b>
