Dress Code

Rationale

Dress codes for students in public schools are determined by school councils in consultation with students, their parents, and staff of the school. Dress codes can help create a sense of identity and a school culture in which every student experiences a sense of belonging.

The KDHS Dress Code complies with the DoE Policy: Dress Codes for Students in Public Schools, Jan 2018 and is compulsory for PP-Year 10 students.

Exemption requests should be made in writing to the Principal. Persistent non-compliance or refusal to adhere to the Dress Code may result in loss of Good Standing.
