Dear Parents/Carers,

2027 Voluntary School Contributions

The Kojonup DHS School Board has endorsed the attached Schedule of Contributions and Charges as required by the School Education Act 1999 (WA) and the School Education Regulations 2000. Following the endorsement by Kojonup DHS Board, we are now providing notice to our school community, as per the Department of Education requirements.

We rely on the payment of these Voluntary Contributions to supplement the educational activities we provide for all students at Kojonup DHS. Every effort is made to limit the costs and number of items parents/carers are asked to make payment for or purchase for their child, in addition to these contributions. We also try and ensure that payments are affordable, and we offer a number of payment options. There are also several financial assistance options available for students attending our school.

As a school community we value the financial contribution our families make towards the cost of schooling your children. Proceeds from voluntary contributions, charges and extra cost options enrich our curriculum and improve opportunities available to our students.

The greater percentage of parents/carers that contribute to these school fees, the richer the facilities and educational opportunities we as a school can provide to our students.

We trust you will understand the difference your contributions make to your child's/children's education at Kojonup District High School, and we encourage all families to commit to paying the annual voluntary contributions as outlined in the attached documents.

Kind Regards

Melita Jefferies
School Board Chair

PLEASE DO NOT PAY UNTIL 2027.

STATEMENTS WILL BE ISSUED FOR PAYMENT IN 2027
